

Refill pilot review

reference synthetic evaluation submission

This fictional report assesses the proposed Alder Refill pilot. A reviewer must check the facts and calculations before accepting its conclusion.

Units: 120 units (S1 v2)

Unit price: 25 USD per unit (S2 v2)

Unit cost: 15 USD per unit (S3 v2)

Package mass: 125 g (S4 v2)

Cost basis: Contribution subtracts unit costs from revenue and excludes overhead.

Risk: Demand is a planning assumption and has not been measured.

Decision: Approve a limited pilot subject to reviewer approval

All names, organizations and amounts in this document are fictional.
